Three little birds

[Chorus]

Don't worry about a thing
'Cause every little thing gonna be alright
Singing, "Don't worry about a thing
'Cause every little thing gonna be alright"

[Verse 1]

Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, "This is my message to you-ou-ou"

[Chorus]

Singing, "Don't worry about a thing" (Worry 'bout a thing, oh)
"Every little thing gonna be alright" (Don't worry)
Singing, "Don't worry about a thing" (I won't worry)
"Cause every little thing gonna be alright"
Singing, "Don't worry about a thing
'Cause every little thing gonna be alright" (I won't worry)
Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright"
Singing, "Don't worry about a thing" (Don't worry 'bout a thing)
"Cause every little thing gonna be alright"

Lyse nætter/Nights of Light

Again the birds begin to sing
The light is flowing proudly in
It's shining bright through all the gaps
The nights of light
again alive

What moved back then, has now moved on
And things are easy when you're gone
But deep inside my heart
I always knew
That I belong to you
Now you are here
right here with me

Now you are here
So warm and near
Right here with me

The sound of life is back again
The world is boldly moving in
The sound of seagulls and the trace
of waves
that paints
the shore with sand

I filled my kitchen up with wind
And all the fruits I carried in
But deep inside my heart
I always knew
That I belong to you
Now you are here
Right here with me

Now you are here
Right here with me
Right here with me

Forårsdag

[Omkvæd]

Du ved det sikkert allerinderst inde
Selvom jeg sjældent bruger store ord
Du ved, at du er den der gennem livet
Og stadig i mit hjerte bor
Jeg ved, at al min sidste tid skal leves
Jeg ved, at tiden tæller hjertets slag
At alt det, vi har grædt igennem livet
Det svinder på en forårsdag

[Vers]

En forårsdag hvor solen bare skinner
Som da jeg mødte dig den første gang
Og hele verden svandt - kun solen så os
Og lavede en stille sang
Og det er den, jeg endelig har fundet
Så mange år er gået siden hen
Vi tænker vel, at noget sku' forandres
Hvis vi ku' leve alt igen
Vi tænker vel, at vi gled fra hinanden
I årene der hastede forbi
Og nu er alting stille her i stuen
Og store ord er svær' at si'

[Omkvæd]

Men du ved det sikkert allerinderst inde
Selvom jeg sjælden bruger store ord
Du ved, at du er den der gennem livet
Og stadig i mit hjerte bor
Jeg ved, at al min sidste tid skal leves
Jeg ved, at tiden tæller hjertets slag
At alt det, vi har grædt igennem livet
Det svinder på en forårsdag
Ja, alt det, vi har grædt igennem livet
Det svinder på en forårsdag

[Outro]

Ja, alt det, vi har grædt igennem livet
Det svinder på en forårsdag

Una canzone d'amore (883)

[Strofa 1]

Se solo avessi le parole
Te lo direi
Anche se mi farebbe male
Se io sapessi cosa dire
Io lo farei
Lo farei lo sai
Se lo potessi immaginare
Dipingerei
Il sogno di poterti amare
Se io sapessi come fare
Ti scriverei, ti scriverei

[Ritornello]

Una canzone d'amore
Per farmi ricordare
Una canzone d'amore
Per farti addormentare
Che faccia uscire calore
Che non ti so spiegare
Una canzone d'amore
Solo per te
Solo per te
Solo per te
Solo per te
Solo per te

[Strofa 2]

Se un giorno io riuscissi a entrare
Nei sogni tuoi
Mi piacerebbe disegnare
Sulla lavagna del tuo cuore
I sogni miei
I sogni miei, lo sai
Se si potessero suonare
Li inciderei
E poi te li farei ascoltare
Se io sapessi come fare
Ti scriverei
Ti scriverei

[Ritornello]

Una canzone d'amore
Per farmi ricordare
Una canzone d'amore
Per farti addormentare
Che faccia uscire calore
Che non ti so spiegare
Una canzone d'amore
Solo per te
Solo per te
Solo per te
Solo per te
Solo per te

[Strofa 3]

Se io avessi le parole
Le potessi immaginare
Fosse facile spiegare
Si riuscissero a suonare
Se potessi raccontare
Se sapessi come fare
Se sapessi cosa dire
Allora ti scriverei

[Ritornello]

Una canzone d'amore
Per farmi ricordare
Una canzone d'amore
Per farti addormentare
Che faccia uscire calore
Che non ti so spiegare
Una canzone d'amore
Solo per te

Una canzone d'amore
Per farmi ricordare
Una canzone d'amore
Per farti addormentare
Che faccia uscire calore
Che non ti so spiegare
Una canzone d'amore
Solo per te

Gli anni

[Strofa 1]

Stessa storia, stesso posto, stesso bar
Stessa gente che vien dentro, consuma, poi va
Non lo so che faccio qui
Esco un po'
E vedo i fari dell'auto che mi
Guardano e sembrano chiedermi chi
Cerchiamo noi

[Ritornello]

Gli anni d'oro del grande Real
Gli anni di Happy Days e di Ralph Malph
Gli anni delle immense compagnie
Gli anni in motorino sempre in due
Gli anni di "Che belli erano i film"
Gli anni dei Roy Rogers come jeans
Gli anni di "Qualsiasi cosa fai"
Gli anni del "Tranquillo, siamo qui noi"
Siamo qui noi

[Strofa 2]

Stessa storia, stesso posto, stesso bar
Una coppia che conosco, c'avran la mia età
"Come va?" Salutano
Così io
Vedo le fedì alle dita dei due
Che, porco giuda, potrei essere io
Qualche anno fa

[Ritornello]

Gli anni d'oro del grande Real
Gli anni di Happy Days e di Ralph Malph
Gli anni delle immense compagnie
Gli anni in motorino sempre in due
Gli anni di "Che belli erano i film"
Gli anni dei Roy Rogers come jeans
Gli anni di "Qualsiasi cosa fai"
Gli anni del "Tranquillo, siamo qui noi"
Siamo qui noi

[Strofa 3]

Stessa storia, stesso posto, stesso bar
Stan quasi chiudendo poi me ne andrò a casa mia
Solo lei davanti a me
Cosa vuoi
Il tempo passa per tutti, lo sai
Nessuno indietro lo riporterà
Neppure noi

[Ritornello]

Gli anni d'oro del grande Real
Gli anni di Happy Days e di Ralph Malph
Gli anni delle immense compagnie
Gli anni in motorino sempre in due
Gli anni di "Che belli erano i film"
Gli anni dei Roy Rogers come jeans
Gli anni di "Qualsiasi cosa fai"
Gli anni del "Tranquillo, siamo qui noi"
Siamo qui noi

Wake me up

[Verse 1]

Feelin' my way through the darkness
Guided by a beatin' heart
I can't tell where the journey will end
But I know where to start
They tell me I'm too young to understand
They say I'm caught up in a dream
Well, life will pass me by if I don't open up my eyes
Well, that's fine by me

[Chorus]

So wake me up when it's all over
When I'm wiser and I'm older
All this time, I was findin' myself and I
Didn't know I was lost
So wake me up when it's all over
When I'm wiser and I'm older
All this time, I was findin' myself and I
Didn't know I was lost

[Verse 2]

I tried carryin' the weight of the world
But I only have two hands
Hope I get the chance to travel the world
But I don't have any plans
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is the prize

[Chorus]

So wake me up when it's all over
When I'm wiser and I'm older
All this time, I was findin' myself and I
Didn't know I was lost
So wake me up when it's all over
When I'm wiser and I'm older
All this time, I was findin' myself and I
I didn't know I was lost

Perfect

[Verse 1]

I found a love for me
Oh, darlin', just dive right in and follow my lead
Well, I found a girl, beautiful and sweet
Oh, I never knew you were the someone waitin' for me

[Pre-Chorus]

'Cause we were just kids when we fell in love
Not knowin' what it was
I will not give you up this time
But, darlin', just kiss me slow
Your heart is all I own
And in your eyes, you're holdin' mine

[Chorus]

Baby, I'm dancin' in the dark with you between my arms
Barefoot on the grass while listenin' to our favourite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, "Darlin', you look perfect tonight"

[Verse 2]

Well, I found a woman stronger than anyone I know
She shares my dreams, I hope that, someday, I'll share her home
I found a love to carry more than just my secrets
To carry love, to carry children of our own

[Pre-Chorus]

We are still kids, but we're so in love
Fightin' against all odds
I know we'll be alright this time
Darlin', just hold my hand
Be my girl, I'll be your man
I see my future in your eyes

[Chorus]

Baby, I'm dancin' in the dark with you between my arms
Barefoot on the grass while listenin' to our favourite song
When I saw you in that dress, lookin' so beautiful
I don't deserve this, darlin', you look perfect tonight

Can't help falling in love

[Verse 1]

Wise men say
"Only fools rush in"
But I can't help
Falling in love with you

[Verse 2]

Shall I stay?
Would it be a sin
If I can't help
Falling in love with you?

[Bridge]

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

[Verse 3]

Take my hand
Take my whole life, too
For I can't help
Falling in love with you

Leaving on a jet plane

All my bags are packed, I'm ready to go
I'm standing here outside your door
I hate to wake you up to say goodbye
But the dawn is breaking, it's early morn
The taxi's waiting, he's blowin' his horn
Already I'm so lonesome I could cry

[Chorus]

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leaving on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

[Verse 2]

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

[Chorus]

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leaving on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

[Verse 3]

Now the time has come to leave you
One more time, just let me kiss you
Then close your eyes and I'll be on my way
Dream about the days to come
When I won't have to leave alone
About the times I won't have to say

[Chorus]

Kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leaving on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

Stand by me

[Verse 1]

When the night has come
And the land is dark
And the moon is the only light we'll see
No, I won't be afraid
Oh, I won't be afraid
Just as long as you stand, stand by me

[Chorus]

So darlin', darlin', stand by me
Oh, stand by me
Oh, stand
Stand by me, stand by me

[Verse 2]

If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea
I won't cry, I won't cry
No, I won't shed a tear
Just as long as you stand, stand by me

[Chorus]

And darlin', darlin', stand by me
Oh, stand by me
Woah, stand now
Stand by me, stand by me

[Chorus]

Darlin', darlin', stand by me
Oh, stand by me
Oh, stand now
Stand by me, stand by me

[Outro]

Whenever you're in trouble, won't you stand by me?
Oh, stand by me
Woah, just stand now
Oh, stand, stand by me

Hotel california

[Verse 1]

On a dark desert highway
Cool wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

[Verse 2]

There she stood in the doorway
I heard the mission bell
And I was thinkin' to myself
"This could be Heaven or this could be Hell"
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say

[Chorus]

"Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (Any time of year)
You can find it here"

[Verse 3]

Her mind is Tiffany-twisted
She got the Mercedes Benz, uh
She got a lot of pretty, pretty boys
That she calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget

[Verse 4]

So I called up the Captain
"Please bring me my wine"
He said, "We haven't had that spirit here
Since 1969"
And still those voices are callin'
From far away
Wake you up in the middle of the night
Just to hear them say

[Chorus]

"Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (What a nice surprise)
Bring your alibis"

[Verse 5]

Mirrors on the ceiling
The pink champagne on ice, and she said
"We are all just prisoners here
Of our own device"
And in the master's chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast

[Verse 6]

Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax," said the night man
"We are programmed to receive
You can check out any time you like
But you can never leave"

Take on me

[Verse 1]

We're talking away
No, I don't know what I'm to say
I'll say it anyway
Today is another day to find you
Shyin' away
I'll be comin' for your love, okay?

[Chorus]

Take on me (Take on me)
Take me on (Take on me)
I'll be gone
In a day or two

[Verse 2]

So, needless to say
I'm odds and ends
But I'll be stumblin' away
Slowly learnin' that life is okay
Say after me
"It's no better to be safe than sorry"

[Chorus]

Take on me (Take on me)
Take me on (Take on me)
I'll be gone
In a day or two

[Verse 3]

Oh, things that you say
Yeah, is it life or just to play
My worries away?
You're all the things I've got to remember
You're shyin' away
I'll be comin' for you anyway

[Chorus]

Take on me (Take on me)
Take me on (Take on me)
I'll be gone
In a day

Tears in heaven

Would you know my name
If I saw you in Heaven?
Would it be the same
If I saw you in Heaven?

[Chorus]
I must be strong
And carry on
'Cause I know I don't belong
Here in Heaven

[Verse 2]
Would you hold my hand
If I saw you in Heaven?
Would you help me stand
If I saw you in Heaven?

[Chorus]
I'll find my way
Through night and day
'Cause I know I just can't stay
Here in Heaven

[Bridge]
Time can bring you down
Time can bend your knees
Time can break your heart
Have you begging please
Begging please

[Chorus]
Beyond the door
There's peace, I'm sure
And I know there'll be no more
Tears in Heaven

[Verse 3]
Would you know my name
If I saw you in Heaven?
Would you be the same
If I saw you in Heaven?

[Chorus]
I must be strong
And carry on
'Cause I know I don't belong
Here in Heaven

Wish you were here

[Verse 1]

So, so you think you can tell
Heaven from Hell? Blue skies from pain?
Can you tell a green field from a cold steel rail?
A smile from a veil? Do you think you can tell?

[Verse 2]

Did they get you to trade your heroes for ghosts?
Hot ashes for trees? Hot air for a cool breeze?
Cold comfort for change? Did you exchange
A walk-on part in the war for a lead role in a cage?

[Chorus]

How I wish, how I wish you were here
We're just two lost souls swimming in a fishbowl, year after year
Running over the same old ground, what have we found?
The same old fears, wish you were here

Yesterday

[Verse 1]

Yesterday

All my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

[Verse 2]

Suddenly

I'm not half the man I used to be
There's a shadow hangin' over me
Oh, yesterday came suddenly

[Bridge]

Why she had to go
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

[Verse 3]

Yesterday

Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

[Bridge]

Why she had to go
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

[Verse 3]

Yesterday

Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Wind of change

[Verse 1]

I follow the Moskva
Down to Gorky Park
Listening to the wind of change
An August summer night
Soldiers passing by
Listening to the wind of change

[Verse 2]

The world is closing in
And did you ever think
That we could be so close, like brothers?
The future's in the air
I can feel it everywhere
Blowing with the wind of change

[Chorus]

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away (Dream away)
In the wind of change
Mmm

[Verse 3]

Walking down the street
And distant memories
Are buried in the past forever
I follow the Moskva
And down to Gorky Park
Listening to the wind of change

[Chorus]

Take me (Take me) to the magic of the moment
On a glory night (A glory night)
Where the children of tomorrow share their dreams (Share their dreams)
With you and me (With you and me)
Take me (Take me) to the magic of the moment
On a glory night (A glory night)
Where the children of tomorrow dream away (Dream away)
In the wind of change (The wind of change)

House of the rising sun

[Chorus]

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And, God, I know I'm one

[Verse 1]

My mother was a tailor
She sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

[Verse 2]

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he's satisfied
Is when he's all drunk

[Verse 3]

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the House of the Rising Sun

[Verse 4]

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

[Chorus]

Well, there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And, God, I know I'm one

Good Riddance

[Verse 1]

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test and don't ask why
It's not a question, but a lesson learned in time

[Chorus]

It's something unpredictable, but in the end is right
I hope you had the time of your life

[Verse 2]

So take the photographs and still frames in your mind
Hang it on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth, it was worth all the while

[Chorus]

It's something unpredictable, but in the end is right
I hope you had the time of your life

Lean on me

[Verse 1]

Sometimes in our lives, we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

[Chorus]

Lean on me when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

[Verse 2]

Please swallow your pride
If I have things you need to borrow
For no one can fill
Those of your needs
That you won't let show

[Verse 3]

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

[Chorus]

Lean on me when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Father and son

[Chorus]

It's not time to make a change; just relax, take it easy
You're still young, that's your fault, there's so much you have to know
Find a girl, settle down, if you want you can marry
Look at me; I am old, but I'm happy

[Verse 1]

I was once like you are now, and I know that it's not easy
To be calm, when you've found something going on
But take your time, think a lot; why, think of everything you've got
For you will still be here tomorrow, but your dreams may not

[Verse 2]

How can I try to explain?
When I do, he turns away again
It's always been the same, same old story
From the moment I could talk
I was ordered to listen

[Chorus]

Now there's a way, and I know
That I have to go away
I know, I have to go

[Chorus]

It's not time to make a change; just relax, take it slowly
You're still young, that's your fault, there's so much you have to go through (I know, I have to make this
decision)
Find a girl, settle down, if you want you can marry (Alone)
Look at me; I am old, but I'm happy (No)

[Verse 3]

All the times that I've cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right, I'd agree
But it's them they know, not me!

[Chorus]

Now there's a way, and I know
That I have to go away
I know, I have to go

Imagine

[Verse 1]

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Living for today
I

[Verse 2]

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace
You

[Chorus]

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

[Verse 3]

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world

[Chorus]

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Knocking on heavens door

[Verse 1]

Mama, take this badge from me
I can't use it anymore
It's gettin' dark, too dark to see
Feels like I'm knockin' on heaven's door

[Chorus]

Knock, knock-knockin' on heaven's door, hey, hey, hey-hey, yeah
Knock, knock, knockin' on heaven's door, ooh
Knock, knock, knockin' on heaven's door, ooh, oh, yeah
Knock, knock, knockin' on heaven's door, aye-hey, yeah
Ooh-oh, yeah, oh, yeah, aw

[Verse 2]

Mama, put my guns in the ground (Ooh)
I can't shoot them anymore (Ooh)
That cold black cloud is comin' down (Ooh)
Feels like I'm knockin' on heaven's door (Ooh)

[Chorus]

Knock, knock, knockin' on heaven's door, hey, hey, hey-hey, yeah
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door, ooh, yeah
Knock, knock, knockin' on heaven's door, aye-aye, yeah
Ooh

Let it be

[Verse 1]

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

[Chorus]

Let it be, let it be (Ooh-ooh)
Let it be, let it be (Ooh-ooh)
Whisper words of wisdom (Ooh)
Let it be (Ooh)

[Verse 2]

And when the broken-hearted people
Living in the world agree
There will be an answer
Let it be
For though they may be parted
There is still a chance that they will see
There will be an answer
Let it be

[Chorus]

Let it be, let it be (Ooh-ooh)
Let it be, let it be (Ooh-ooh)
Yeah, there will be an answer (Ooh)
Let it be (Ooh-ooh)
Let it be, let it be (Ooh-ooh)
Let it be, let it be (Ooh-ooh)
Whisper words of wisdom
Let it be

[Chorus]

Let it be, let it be (Ah-ah)
Let it be, yeah, let it be (Ah-ah)
Whisper words of wisdom (Ah)
Let it be (Ah)

[Verse 3]

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow
Let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom
Let it be

Can you feel the love tonight

[Verse 1]

There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment, and it sees me through
It's enough for this restless warrior just to be with you

[Chorus]

And can you feel the love tonight? (Tonight)
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight? (Tonight)
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best

[Verse 2]

There's a time for everyone, if they only learn
That the twistin' kaleidoscope moves us all in turn
There's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours

[Chorus]

And can you feel the love tonight? (Tonight)
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight? (Tonight)
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best

[Outro]

It's enough to make kings and vagabonds
Believe the very best

Se ti tagliassero a pezzetti

[Strofa 1]

Se ti tagliassero a pezzetti, il vento li raccoglierebbe
Il regno dei ragni cucirebbe la pelle
E la luna tesserebbe i capelli e il viso
E il polline di Dio, di Dio il sorriso

[Strofa 2]

Ti ho trovata lungo il fiume che suonavi una foglia di fiore
Che cantavi parole leggere, parole d'amore
Ho assaggiato le tue labbra di miele rosso rosso
Ti ho detto: "Dammi quello che vuoi, io quel che posso"

[Strofa 3]

Rosa gialla, rosa di rame, mai ballato così a lungo
Lungo il filo della notte, sulle pietre del giorno
Io suonatore di chitarra, io suonatore di mandolino
Alla fine siamo caduti sopra il fieno

[Strofa 4]

Persa per molto, persa per poco
Preso sul serio, preso per gioco
Non c'è stato molto da dire o da pensare
La fortuna sorrideva come uno stagno a primavera
Spettinata da tutti i venti della sera

[Strofa 5]

E adesso aspetterò domani per avere nostalgia
Signora libertà, signorina fantasia
Così preziosa come il vino, così gratis come la tristezza
Con la tua nuvola di dubbi e di bellezza

[Strofa 6]

T'ho incrociata alla stazione che inseguivi il tuo profumo
Preso in trappola da un tailleur grigio fumo
I giornali in una mano e nell'altra il tuo destino
Camminavi fianco a fianco al tuo assassino

[Strofa 7]

Ma, se ti tagliassero a pezzetti, il vento li raccoglierebbe
Il regno dei ragni cucirebbe la pelle
E la luna, la luna tesserebbe i capelli e il viso
E il polline di Dio, di Dio il sorriso

Barndommens gade

[Vers 1]

Jeg er din barndoms gade
Jeg er dit væsens rod
Jeg er den bankende rytme
I alt hvad du længes mod
Jeg er din mors grå hænder
Og din fars bekymrede sind
Jeg er de tidligste drømmes
Lette, tågede spind

[Vers 2]

Jeg gav dig min store alvor
En dag du var vildt forladt
Jeg dryssed' lidt vemod i sindet
En drivende regnvejrsnat
Jeg slog dig engang til jorden
For at gøre dit hjerte hårdt
Men jeg rejste dig varligt op igen
Og tørrede tårerne bort

[Vers 3]

Det er mig, der har lært dig at hade
Jeg lærte dig hårdhed og spot
Jeg ga' dig de stærkeste våben
Du ska' vide at bruge dem godt
Jeg ga' dig de vagtsomme øjne
På dem ska' du kendes igen
Møder du en med det samme blik
Ska' du vide, han er din ven

[Omkvæd]

Jeg er din barndoms gade
Jeg er dit væsens rod
Jeg ga' dig de vagtsomme øjne
På dem ska' du kendes igen
Møder du en med det samme blik
Ska' du vide, han er din ven

[Vers 4]

Og hører du renere toner
Stemt til en skønnere sang
Ska' du længes efter min stemmes—
Sprukne og kejtede klang
Fløj du så vidt over lande
Og voksede du fra din ven?
Jeg er din barndoms gade
Jeg kender dig altid igen

[Omkvæd]

Jeg er din barndoms gade
Jeg er dit væsens rod
Ga' dig de vagtsomme øjne
På dem ska' du kendes igen
Møder du en med det samme blik
Ska' du vide, han er din ven

[Vers 5]

Ja, jeg er din barndoms gade
Jeg er dit væsens rod
Og jeg er den bankende rytme
I alt hva' du længes mod
Fløj du så vidt over lande
Og voksede du fra din ven?
Jeg er din barndoms gade
Jeg kender dig altid igen

La canzone del sole

[Strofa 1]

Le bionde trecce gli occhi azzurri e poi
Le tue calzette rosse
E l'innocenza sulle gote tue
Due arance ancor più rosse
E la cantina buia dove noi
Respiravamo piano
E le tue corse e l'eco dei tuoi no, oh no
Mi stai facendo paura

[Pre-Ritornello]

Dove sei stata? Cosa hai fatto mai?
Una donna, donna, dimmi
Cosa vuol dir "Sono una donna ormai"?
Ma quante braccia ti hanno stretto tu lo sai
Per diventar quel che sei?
Che importa, tanto tu non me lo dirai
Purtroppo

Ma ti ricordi l'acqua verde e noi
Le rocce e il bianco in fondo?
Di che colore sono gli occhi tuoi?
Se me lo chiedi, non rispondo

[Ritornello]

Oh mare nero, oh mare nero, oh mare ne'
Tu eri chiaro e trasparente come me
Oh mare nero, oh mare nero, oh mare ne'
Tu eri chiaro e trasparente come me

[Strofa 2]

Le biciclette abbandonate sopra il prato e poi
Noi due distesi all'ombra
Un fiore in bocca può servire sai
Più allegro tutto sembra
E d'improvviso quel silenzio fra noi
E quel tuo sguardo strano
Ti cade il fiore dalla bocca e poi
Oh no ferma ti prego la mano

[Pre-Ritornello]

Dove sei stata? Cosa hai fatto mai?
Una donna, donna, donna, dimmi
Cosa vuol dir "Sono una donna ormai"?
Io non conosco quel sorriso sicuro che hai
Non so chi sei, non so più chi sei
Mi fai paura oramai, purtroppo

Ma ti ricordi le onde grandi e noi
Gli spruzzi e le tue risa?
Cos'è rimasto in fondo agli occhi tuoi?
La fiamma è spenta o è accesa

[Ritornello]

Oh mare nero, oh mare nero, oh mare ne'
Tu eri chiaro e trasparente come me
Oh mare nero, oh mare nero, oh mare ne'
Tu eri chiaro e trasparente come me

[Outro]

Il sole quando sorge sorge piano e poi
La luce si diffonde tutto intorno a noi
Le ombre di fantasmi nella notte
Sono alberi e cespugli ancora in fiore
Sono gli occhi di una donna ancora pieni d'amore

Sådan nogle som os / People Like Us

Come here, sit down
Come on and lay down
Come, let me
feel you once again

Come here and hold me
Hold me closely
Can we start over,
my dearest friend?

We've been floating
in outer space,
like two satellites
let astray

But luckily
we have landed
in close proximity

People like us
are in need of a lover,
and the lover that I'm
thinking of is you

So sit for a bit,
we're about to discover
like a pathfinder
with a clear view

Under stjernerne på himlen / Underneath the stars

I sit upon the edge
of your small bed
and you smile to me
Everything seems smaller than it is
for a little while

You're quiet as a mouse
and hiding
in a sea of plushies - riding a tide

In a dreamy game, yeah
We will find our way there
Seeking new
adventures soon

Underneath the stars upon
the night sky
Floating, you and I
Gently close your eyes and you'll be
sailing through the night
We'll journey on the waves and into
the land of dreams
you and I
